HSC ODESSA IS LOOKING FOR AN OUTSIDE SALES REPRESENTATIVE

SUMMARY:

We expect our Outside Sales Representatives (OSR) to be highly motivated representatives of Howard Supply Company, committed to strategic equipment sales and service product offerings within their geographical area. OSR's leverage their strong relationship building skills and product knowledge to support our customer's service and supply needs.

ESSENTIAL REQUIREMENTS:

- Foster and support a culture of excellence and dedication to customer service.
- Cultivate strong working relationships with customers.
- Actively manage call schedule to adequately cover assigned territory in a time-efficient manner.
- Partner with inside sales teams and branch management / district management to ensure superior execution in our retail stores
- Recent employment in the Oilfield or related industry distribution/supplier or manufacturer.

WHAT THIS MEANS:

- The Outside Sales Representative will be expected to develop relationships, manage new and existing accounts, grow HSC brand presence and market share, provide superior service to all customers, participate in company initiatives, and ultimately grow revenue in the assigned territory.

ABOUT HSC:

HSC is America's Energy Service Supplier. From day one our mission has been to provide our customers with the best combination of products, service, and value available. Over HSC's 80+ year history, we have developed a heritage and culture of excellence and service. In doing so, HSC has become the premier value added supplier to the well-servicing segment of the oil and gas industry.

Our market share and geographic footprint continue to expand with the needs of the market place. Founded in Los Angeles by Harald Howard in 1937, HSC now offers the most complete line-up of products and services to the Oilfield, Mining, and Industrial Markets from over 13 stores and service centers.

Supply stores are common, but only at HSC will you find a complete line up of products integrated with design, repair and recertification services. From lifting equipment to pipe handling tools, from specification to recertification, HSC will help you safely extend the economic service life of your equipment.
